Immunohistochemistry

Workshop

20th – 22nd October, 2014

Faculty of Medical Sciences,
Newcastle University

UNIVERSITETET I BERGEN

Programme

Attendees will leave the workshop with a basic understanding of:

1. The pathological features of acute graft-versus-host disease in the main target organs
2. Important differential diagnosis
3. Interpretation and use of the skin explant model
4. Practical knowledge of immunohistochemical staining and interpretation of results

Monday 20th October, 2014

Seminar Room L2.5, Level 2, Leech Building, The Medical School

Time	Session	Speaker	Organisation
13:00	Introduction to basic Immunohistochemistry	Edith Fick	University of Bergen
13:30	Pathology of Acute graft versus host disease	Professor Lisbet Sviland	University of Bergen
14:10	Impact of Immunohistochemistry and Immunofluorescence staining on GVHD research – Newcastle experience	Dr Xiao nong Wang	Newcastle University
14:30	Coffee Break		
14:45	Nucleic acid isolation from fixed tissues: unlocking your FFPE archive	Dr Rachel Crossland	Newcastle University
15:15	Development of the human skin explant assay for predicting GvHD	Professor Anne Dickinson	Alcyomics Ltd/ Newcastle University
15:40	Other applications of the skin explant assay	Jean Norden	Newcastle University
16:00	Close		

Tuesday 21st October, 2014

Haematological Sciences Laboratory, MG260 Ground Floor (Basement)

Time	Session	Lead	Organisation
9:30	Lab practical set up	Dr Shaheda Ahmed	Alcyomics Ltd
11:45	Lunch		
12:30	Antibody application	Dr Shaheda Ahmed	Alcyomics Ltd
12:45	Practical Demonstration – Use of the Microtome	Dr Rachel Crossland	Newcastle University
14:15	Completion of lab practical	Dr Shaheda Ahmed	Alcyomics Ltd
16:30	Close		

Wednesday 22nd October, 2014

**Cytology Multi-header Microscope Room, Department of Cellular Pathology,
Level 3, New Victoria Wing, Royal Victoria Infirmary**

Time	Session	Lead	Organisation
9:00	Analysis of stained slides & Grading and scoring GvHD slides	All	All
12:30	Close		

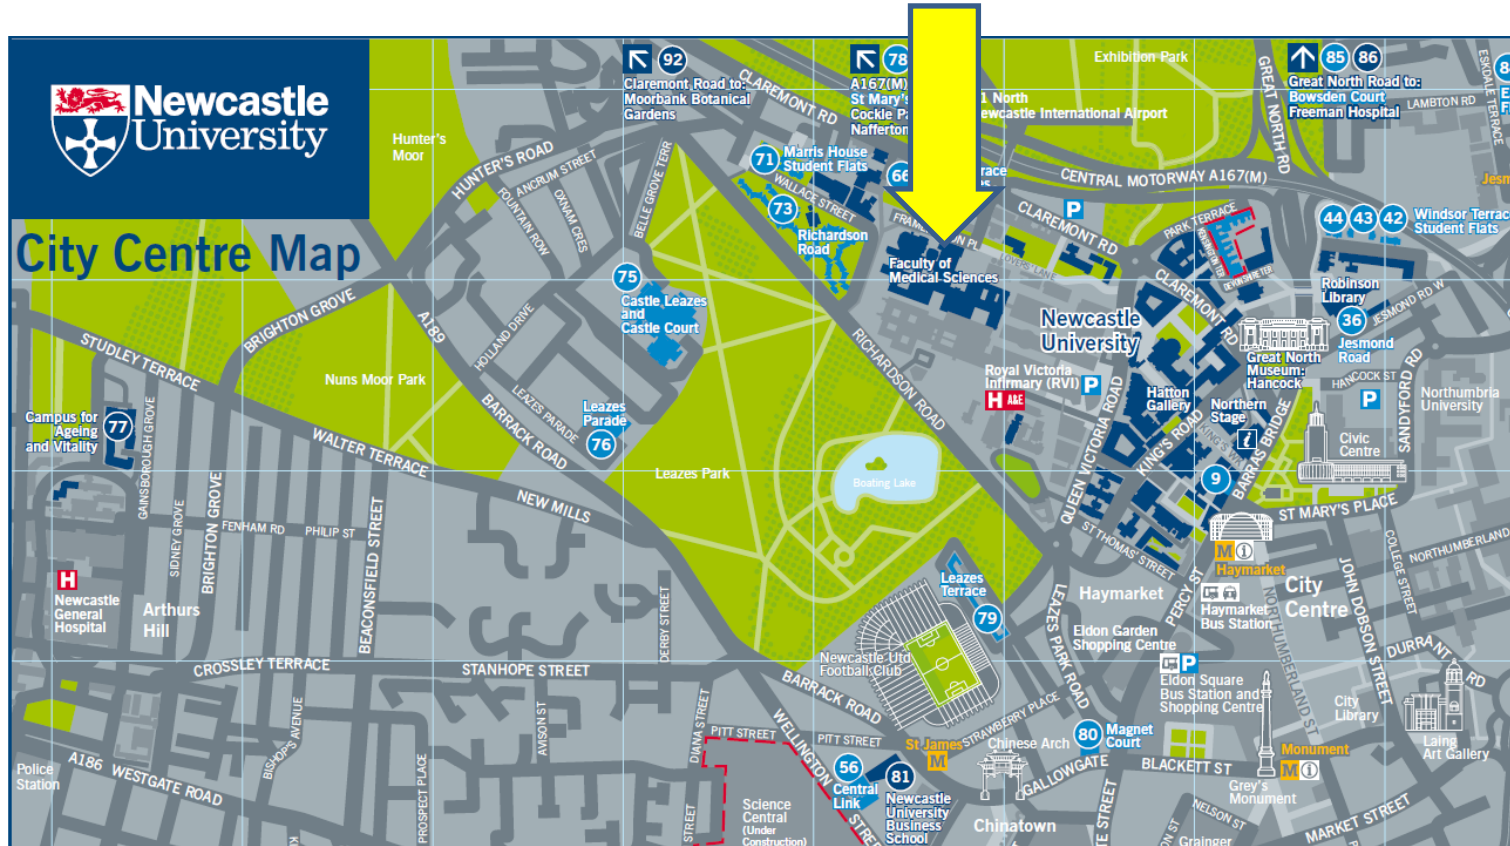

Social Programme

Tuesday 21st October, 18:00

Informal Group Dinner, Fratello's Restaurant Jesmond, NE2 1PR

Venue

Within Faculty of Medical Sciences, Newcastle University, NE2 4HH and the Royal Victoria Infirmary (RVI)

Attendee List

Name	Organisation	Position
Monica Correia dos Reis	Newcastle University	Celleurope Marie Curie Fellow
Rihab Gam	Newcastle University	Celleurope Marie Curie Fellow
Marsela Qesari	Alcyomics Ltd	Celleurope Marie Curie Fellow
Margherita Boirei	University of Oslo	Celleurope Marie Curie Fellow
Sadaf Atarod	Newcastle University	PhD Student Final Year
Kile Green	Newcastle University	PhD Student First Year
Moyassar Al-Shaibani	Newcastle University	PhD Student First Year
Mahid Ahmed*	Alcyomics Ltd	Technician
Asif Tulah*	Newcastle University	KTP Research Associate
Matthew Burgess*	Alcyomics Ltd	Placement Student

*Will not attend session Tuesday 21st October
